Dear Mr. Clark,

We have just received from Glasgow the completed first entry reports on the new steamer "VOLTURNUS", built by Messrs. R. Williamson & Son of Workington for Messrs Rogers & Bright Ltd.

I notice that in the case of the last vessel built for this Firm, ("Volhynia"), by the same builders a request was received for the certificates to be issued in English & French, so that they might be used under the French Shipping Law, and I shall be much obliged if you will kindly ascertain from the Owners whether they desire a similar course to be followed in the case of the present vessel.

Yours faithfully,

W.L. Clark, Esq.,
