19th December, 1912.

Sir,

I have to acquaint you that from a First Entry Report received from the Society's Surveyors at Barrow it appears that the steel S.S. "VOLTURNUS" built by Messrs. R. Williamson & Son has proceeded to your port where the machinery is to be fitted, and in order to complete the survey of the hull the Engine & Boiler Casing requires to be riveted up.

To complete the survey on the hull the engine and boiler casing requires to be riveted up, and I shall be glad if you will arrange for the case to receive the necessary attention, and on completion of the work to forward report on Form 8 in the usual manner with a view to the classification of the vessel. report on form 8 to be forwarded in the usual manner for the information of the Committee with a view to the classification of the vessel.

I am, Sir,

Your obedient servant,

The Secretary,

GLASGOW.

Secretary.
