And. 5/3  
LONDON

Dear Sir,

I beg to submit for the approval of the Committee, two blue prints showing the thrust shafts, wheel shafts and coupling pieces intended for the T.S.S. "PORT DARWIN", "PORT DENISON", "PORT MELBOURNE", and "PORT SYDNEY", Messrs. Swan, Hunter & Wigham Richardson's Engines Nos. 1316, 1318, 1320 & 1322, and should be glad to have the official stamp and approval of same.

Plans of similar vessels were approved in your letter of 25th. August last.

I am, Dear Sir,

Yours faithfully,

Geo. A. Harrison
