I. Dear Sir,

With reference to New York Report No. 14518 on the Steamer "WAGAMA" I have to acquaint you that in a letter dated the 11th ultimo, the Owner's Agents stated that the Vessel would be back in the United States during the latter part of this month, and as she is to be put into the Wabana Ore Trade for a period of ~~about~~ four months they have asked that the Special Survey No. 1 may be postponed for that time.

In reply they have been informed that the Committee will not object to the Survey being postponed until about the end of September, subject to her being generally examined and favourably reported upon by the Society's Surveyors on her arrival in the United States shortly.

I shall therefore be glad to receive the Report on the case in due course.

I am, Dear Sir,
Yours faithfully,

The Secretary,

NEW YORK.
