19th. April, 1918,

Dear Sirs,

S. I am duly in receipt of your letter of the 11th. inst. respecting the Special Survey No.1 of the steamer "WAGAMA" and with regard thereto I beg to acquaint you that in the circumstances the Committee, who have had the subject before them to-day, will not object to the proposal of the Owners to postpone carrying out the Special Survey No.1 until the conclusion about the end of September, of the vessel's contemplated employment in the Wabana Ore Trade, subject to her being generally examined and favourably reported upon by the Society's Surveyors on her arrival in the United States shortly from South America.

I am, Dear Sirs,

Yours faithfully,

Secretary.
