Date of Survey

S.S. No.1.When due 4.17.

The Special Survey No.1 became due in April 1917.

The Owners' agents now state they understand the vessel is on a round trip to South America and is expected by the Charterers ~~will~~ ^{to} be back in the States during the latter part of May, and as it is then intended to put her into the Wabana Ore Trade for a period of about four months they will be glad to know whether the Special Survey can be postponed for about four months from May.

It is submitted the Owners' agents be informed that provided the vessel be generally examined & favourably reported upon on her arrival in the U.S.A, the Owners' proposal will be agreed to.
