

Port of Seattle, Wash., U.S.A.

REPORT No. 893.

Motor Ship "BALCATTa"

In consequence of a misunderstanding in the installation of the Machinery in several of the vessels built by the Patterson, McDonald S.B.Co., the attached New York Report No. 15715 refers to the Machinery installed in the Motor Ship "BENOWA", and the New York Report No. 16029 forwarded with our Report No. 862 "BENOWA" refers to the Machinery installed in the "BALCATTa" which please have corrected.
