REC'D 18 NOV 1919
ANS'D

Dear Sir,

Mr. Shaw has forwarded me, from Sunderland, a copy of your letter of the 14th. instant, with reference to the 1st. Entry Report No. 27654 on the Ferro Concrete Tug "ORETEGABLE". I am unable to find a copy of the percolation test certificate, the figures were given to me by Mr. Forster on my taking over his duties, and he informed me that these were what had been approved in your letter dated 27th. August 1918; Mr. Forster was unable to lay his hands upon the certificate and gave me the information from his note book.

The outer, thwartship reinforcing bars in the bottom slab are as approved.

I am, Dear Sir,

Yours faithfully,

Wm. J. B. Wilton

The Secretary.

London.
