Dear Sirs,

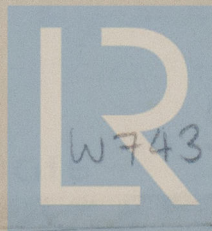

I beg to acknowledge the receipt of your letter of the 14th instant, in further reference to the case of the Russian steamer "WORON", and in reply I have the pleasure to say that provided the bunkers be examined and found or placed in good condition, and the repairs and testing of the engine room tank be carried out to the satisfaction of the Society's Surveyors, and the steamer favourably reported upon, she will be eligible for the notation of Special Survey No.2, and a corresponding Certificate.

I am, Dear Sirs,

Yours faithfully,

Secretary.
