Dear Sir

Focus of the 6th inst. to hand, and in reply I beg to inform you that the fact stated by you as to Lloyd's Agent being out of town, and therefore not obtainable to consult with is quite correct.

I understood from the representatives of the Vacuum Oil Coy, & Jameses, that Mr. Gaudin (acting Lloyd's Agent pro tem) had agreed with our action in the matter on the following morning.

As Lloyd's Agent was not in attendance at the meeting, I can only mention the facts as they actually occurred on my reports.

Yours truly

James Theodore Servant
