The Secretary,
Lloyd's Register of Shipping,
Water Street,
LIVERPOOL.

Dear Sir,

s.s. "Tartary".

The above ship was put through her Second No. 1 Survey in August of last year. This Survey was not entirely completed inasmuch as the Side Bunkers had so much Coal left in them that they could not be examined; the Forepeak and Chain Lockers were also not examined.

In the absence of the Certificate of re-classification, we shall be glad if you will kindly let us have a letter confirming the facts as set forth and giving your opinion on the state of the ship in general.

Yours very truly,

DAVID MAC IVER, SONS & CO., LIMITED.
