The Secretary,

London,

Sir,

I beg to submit for the consideration of the Committee the test certificates for the anchors supplied to the Steam Trawler "CLAVDIUS" Messrs Cochrane & Sons No.448, from which it will be seen that two of the anchors are lighter than the Rules requirements whilst one is heavier than required.

I shall be pleased to be informed if these light anchors may be accepted.

A letter from the Builders with reference to the matter is also enclosed.

The approved plan of Midship Section is forwarded for reference.

I am, Sir,

Your Obedient Servant,

Allison B. Wilson
