WEST HARTLEPOOL.

Dear Sirs.

s.s. "MINNIE" ex "SPIRAL".

We have been in communication with Norwegian Veritas' Chief Surveyor, who informs us that all material of boiler & hull per this steamer has been tested by Lloyds, as they do not themselves test material.

The tests are always done by Lloyds in all material put into steamers under their classification, & they accept these tests.

Yours faithfully.

E. A. Casper, Edgar
