

Steel's Spiral built in 1906  
 & classed 1A-1 in the Norske Veritas.

This vessel is now under Survey at  
 Hartlepool for damage repairs & with a  
 view to class with the Society.

The Surveyors state the Owners  
 desire to be furnished with documentary evidence  
 showing the vessel is being surveyed & repaired  
 with a view to classification with the  
 Society in order to facilitate insurance  
 negotiations.

It is submitted the Owners  
 be furnished with a letter stating the  
 vessel is now being repaired & surveyed  
 with a view to class 100A-1 in the  
 Society's Register Book, and that on the  
 receipt of satisfactory reports from the  
 Surveyors the case will receive the  
 consideration of the Committee with  
 a view to the 100A-1 class being  
 assigned & Certificates issued in the  
 usual manner.
