Reference

Sir,

With reference to your letter of the 17th instant concerning the shafting and propeller of the steamer "SPIRAL" we have been requested by the Owners to place the matter again before the Committee for their consideration.

The present propeller is 12ft/6" diameter and the spare propeller is the same size.

We are given to understand that the present propeller is of the same size as originally fitted and has given satisfaction during the life of this vessel.

The Owners are desirous of continuing the use of these propellers and in the circumstances we shall be glad to learn whether any modification in the diameter ~~is~~ given in your letter will be sanctioned.

We may add that the total blade surface is 60 sq.ft. and the pitch about 14ft.

We are, Sir,

Your obedient Servants,

The Surveyors,
