14th July, 1915.

Dear Sirs,

I duly received your letter of the 9th instant forwarding a request from Messrs. Casper Edgar & Co. for the survey for the purpose of classification in the Society's Register Book of the steamer "SPIRAL".

In reply to enquiry made by the Owners I have to acquaint you that it is considered that a fee of forty guineas should be charged for the survey of the steamer and her machinery with a view to classification.

I note that the Owners propose to forward plans for the examination in due course.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

West Hartlepool.
