

S.S. "SPIRAL".

This vessel was built in 1906 and was classed with the Norske Veritas. The Owners desire to have her classed in the Register Book and will forward the plans in due course. In the meantime they desire to know what fees would be charged for the survey and classification of the vessel. .

The fees charged for Special Survey during construction would have been as follows:-

	<u>Hull.</u>	<u>Machinery.</u>
	£ . s . d.	£ . s . d.
First Entry.	4 . 0 . 0	2 . 0 . 0
Special Survey.	<u>58 . 5 . 0</u>	<u>20 . 0 . 0</u>
	<u>£62 . 5 . 0</u>	<u>£22 . 0 . 0</u>

a total fee of £84.5.0.

It is submitted a fee of 40 guineas should be charged for the survey of this vessel ^{her machinery} with a view to classification.
