9th October, 1907.

Gentlemen,

I duly received your letter of the 8th instant,  
S. respecting the case of the new steamer "SNOWDONIAN", and in  
reply have to confirm my telegram of today as follows:-

"SNOWDONIAN will issue certificates provided temporary  
"repairs satisfactory and permanent repairs not long  
"delayed".

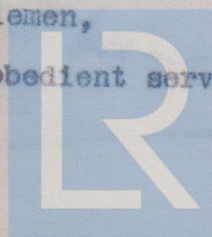

I have to add that provided the temporary repairs  
to this vessel be carried out to your satisfaction and the  
vessel be reported in your first entry report to have been  
built in accordance with the Rules and the approved plans,  
her classification will be assigned by the Committee and  
provisional certificates will be issued on the understanding  
that permanent repairs will be effected at the conclusion  
of the present voyage, <sup>which</sup> ~~it~~ will not be of long duration.

When forwarding your first entry report you should  
state definitely the voyage on which the steamer is to  
proceed.

I am, Gentlemen,

Your obedient servant,

The Surveyors,  
MIDDLESBROUGH.
