19th May, 1914.

Dear Sirs,

M.

With reference to Mr. Dickie's First Entry Report on the steel screw steamer "SPRINGWELL", I have to request that you will be so good as to state whether the semi-box beam has been fitted on the collision bulkhead as shown on the approved plan. It is concluded that the centre line pillars have been fitted in the holds as well as in the tween decks, but Mr. Dickie should state if this is so.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
