14th January, 1909.

Gentlemen,

With reference to your First Entry Report No.20768 on the machinery of the steamer "SUMMERGILL", I have to acquaint you that the Builders of this vessel are pressing for the certificates of classification, the issue of which, however, is delayed pending the payment of the fees for the machinery survey. The hull fees have been paid for some days. In the circumstances I shall be glad if you will endeavour to obtain payment of the machinery fees and advise me at once by telegram in order that the certificates may be issued.

I am, Gentlemen,

Your obedient Servant,

Secretary to the
 Classification Committee

The Surveyors,

HULL.
