The Secretary to

Lloyds Registry,

L O N D O N .

Dear Sir,

I am having some difficulty in getting the certificates of Classification for S/s "Sunniside", and it may be that you are with-holding them for same reason. I shall be glad to hear if there is anything that you are not satisfied with so that I can at once have the matter put in order. It may be that you are not satisfied with the decks where the Cranes are fixed and I should like to have the matter cleared up as early as possible.

Yours faithfully,

Thomas Rose

Referred to the Chief Ship Surveyor
 and the Chief Engineer Surveyor.
