# Lloyd's Register of Shipping.

Port ALEXANDRIA,

16th July, 1940.

**This is to Certify** that I have

Surveyed the Steel Screw Cable Vessel "RETRIEVER" 674 tons gross of London, afloat, in the Outer Harbour, Alexandria, on account of touching the bottom near Agami, outside the Port of Alexandria, on the 15th July 1940. Diver's examination carried out and satisfactory, and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have **Recommended** that she be continued as classed, +100.A.I. without fresh record of Survey, subject to the vessel being drydocked at the earliest convenient opportunity for repairs to leaking shell rivets in way of N°1 double bottom tank, being fit to ~~carry~~ for cable services.

*H. Bishop*

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
