Dear Mr. Scott:

With reference to your letter of the 28th of November and to Galveston report No.690 of survey of the steamer "~~WAR MYSTERY~~" I have to point out that this is a sister vessel to the steamer "WAR MARVEL", Galveston report No.697. These vessels are constructed with two water tight bulkheads one at the fore peak and one at the after end of the cross bunker.

A report on the electric lighting installation of the "WAR MYSTERY" was sent to you on the 25th of October.

With kindest regards,

Yours faithfully,

A. Scott, Esq.,
