The Secretary,

Lloyd's Register of British & Foreign Shipping,  
London.

Dear Sir,

"TYRONE".

As arranged over the telephone on Saturday we passed out a cable to Lloyd's Agents at Napier with a view to ascertaining whether Captain Taylor had left or was still available on the Island and have a reply this morning from Messrs Dalgety stating that they are in touch with Captain Taylor at Auckland from which place I gather he would be able to proceed to Dunedin tonight. As you know we are anxious if possible to have the advantage of Captain Taylor's report and advice in the case of the "Tyrone" and I shall be much obliged if you will be good enough to submit the matter to your Committee with a view to any necessary instructions being promptly cabled.

Yours faithfully,

*[Signature]*  
Secretary.
