MARITIME BUILDING

8 BRIDGE STREET

ICE OF THE
ANAGER

CABLE ADDRESS:
AMHAWAIL, NEW YORK

NEW YORK January 28, 1914

Maryland Steel Company,
Marine Department,
Sparrow's Point, Md.

Also Lloyds Register of Shipping,
Baltimore, Md.

Dear Sirs:

The omission of the bulkhead between second and upper deck
at Transverse No. 61, Hulls #131/2/3, was in accordance with our
wishes and request, principally in order to facilitate the handling
and stowage of cargoes in this space.

Yours truly,

WDB/HAB
