REC'D 21 FEB 1921

The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
London, E.C.3.

Dear Sir,

"Violette".

We duly received your letter of the 17th February, enclosing copy of your Surveyor's report dated the 8th February, and have since had a chat with Mr. Casebourne, Surveyor to the Salvage Association.

Do we understand that you will not entertain the renewal of the class after repairs, and that you consider the vessel a "constructive total loss" as indicated by your report.

The "Violette" has been in Dry Dock since the 28th January, and expense is still going on, so that a decision is very necessary.

Yours faithfully,

JAMES POLLOCK SONS & CO. LIMITED.
