

Tr. 6 September 1908.

Gladstone

Referring to your 1st entry reports re 20000
the steam barge "Vio" I have to observe
that a the copy of this vessel's official register
which I have received it is stated that the
owners of the steam barge "Vio" are the
owners of the vessel. In these
circumstances I require you to make further
enquiries and inform me in what way the
owners of the vessel are connected with the vessel.

I am

Gladstone

Yours obedient servant

Mr. Sargis
