The Secretary,
London.

Sir,

In reply to the query contained in your letter of the 17th, inst respecting the thickness of B. strake of plating in the S.S. "VOLMER" I beg to state that on account of an error on the part of the Steel Makers this strake was delivered and fitted 9/20 and as compensation for this the adjoining strake (C) was increased to 11/20.

I regret that I omitted to explain this matter when writing the Report .

The approved Midship section is returned herewith.

I am, Sir,

Your obedient Servant.

Robt Howie
