communications to be addressed to—  
THE SURVEYORS.

S. Dear Sir .

In reply to your letter of the 20th instant ,  
regarding the steamer VICTORIEUX , I have to state that the contents  
of Mr PUPPI's letter addressed to you and copy of which you forwarded  
to us have been duly noted.

With regard to his statement "I have formally been assured by  
my ( may be your ) engineer etc" ; I may state that it is most likely  
that he meant is my engineer, as the surveyors at this Port are not  
aware of having made such a statement.

Mr. PUPPI's Representative has been present during the repairs ,  
and no doubt he has arranged with the Repairers to fix the brass  
plate referred to in Mr PUPPI's letter .

I am Dear Sir .  
Yours faithfully .
