5th August, 1920.

With reference to your First Entry Report on the S. S. "VICTORIEUX" I shall be glad if you could state whether all the new work in connection with the damage is in accordance with the approved plans for the proposed new scantlings, and if the transverse shell are doubled for three and four spaces tank top as approved.

You should also state the size of the face of the transverse beams and whether the scantlings in the channel were found to be satisfactory.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Sirs,

ROTTERDAM.
