REC'D 23 APR 1920

NSR 1/5/20

The Secretary.,

L O N D O N .

Sir.

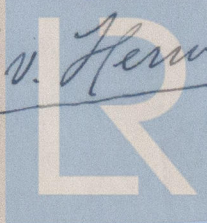

With reference to the Steamer "VICTORIEUX" now
under repair by Messrs. Rotterdamsche Droogdok Maatschappij
at this Port I have forwarded to-day under separate cover
for your approval a plan in duplicate embodying the
reconstruction of the Collision bulkhead as found on board.
I will observe that the construction is not in accordance
with the approved plans, that was submitted to you direct
by letter M. 9/9-19. We shall be pleased to hear if this
can be carried out with your approval, and also the bulkhead as extended
to the shelter deck.

At the same time I beg to enclose one plan showing
the proposed reconstruction of the Quadrant tiller as proposed to be fitted by the
owners; as this construction has never been seen by us
we shall be pleased to hear your remarks.

I am, Dear Sir.

Yours faithfully.
