The Secretary.,

L O N D O N .

Dear Sir.

With reference to our letter of the 14th February last and your reply of the 17th regarding the shipment of the S.S. "VICTORIEUX" I have to inform that the following is proposed for equipment letter regards the anchors: the Bower on board as given our letter dated 14th February

weight found 60 cwt.  
Bower ordered 60 cwt. with test  
Bower ordered  $51\frac{1}{2}$  cwt. with test  
Total  $171\frac{1}{2}$  cwt.

stream as per letter dated 14th February and a new one ordered 7 cwt. ex stock, with test.

Where the 3 Bowers will be in excess we trust they will meet approval.

I am, Dear Sir.

Yours faithfully.
