Dear Sirs,

With reference to the sketches handed in at this Office today by your Representative showing the proposal to fit the sheerstrake plates of the S.S. "VICTORIEUX"  $\frac{5}{8}$ " in thickness with a doubling plate  $\frac{1}{2}$ " in thickness, and also the arrangements of butt straps to the sheer strake and doubling, I have pleasure in stating that the arrangements as shown and amended on the sketches will be approved.

The sketches in question are being forwarded to the Society's local Surveyors.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. The Rotterdam Dry Dock Co.,

ROTTERDAM.
