H. Sept2 Enclosures.

9th September 1919.

Dear Sirs,

I enclose herewith for your information and guidance a copy of a letter which has today been addressed to the Rotterdam Droogdok My. respecting the proposed classification with this Society of the Steamer "VICTORIEUX" ex "ALENTEJO" ex "UCKERMARK", and shall be glad if you will be good enough to give the case the necessary attention.

One complete set of the plans referred to therein is being forwarded to your address under separate cover, and at the same time I send herewith for your information a copy of the Committee's requirements for cases of vessels damaged by fire.

I shall be glad if you will be good enough to forward full particulars, of sheers, tonnages, hatchways &c. on Form 11C for provisional freeboard assignment, and also state if there are any openings in the vessel's sides to affect the loadline assignment.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
ROTTERDAM.
