Enclosure.

3rd August, 1923.

A.S.

My dear Mr. Gordon,

I am favoured with your letter of the 19th ultimo, and, as desired, I have much pleasure in sending herewith a photostat of the original letter from the John S. Emery & Company, Inc., dated Boston 14th September, 1913, referring to the arrangement of transverse bulkheads in the steamers "ATLANTIC" and "PACIFIC" then under construction by the Fore River Shipbuilding Corporation, Quincy, Mass.

I hope you are in the best of health, and with kindest regards,

Remain,

Yours sincerely,

R. Gordon, Esq.,  
33, Rector Street,  
NEW YORK.
