ENCLOSURE.

3rd June, 1918.

Dear Sir,

With reference to the classification in the Society's Register Book of your steamer "PORTUGAL", I beg to remind you that the vessel became due for Special Survey No.2 in June last year, and in view of the fact that the year of grace allowed by the Rules for its completion will shortly expire, I shall be glad to learn for the information of the Committee, what arrangements you propose making for the survey to be held for the vessel to be generally examined in accordance with the accompanying Circular recently issued by the Committee on the subject of special periodical surveys.

I am, Dear Sir,

Yours faithfully,

Secretary.
