Dear Sir,

SS "Rievaulx Abbey",
No. 2 Survey.
=====

The boilers of the above steamer were due for survey in April, 1916, but you granted an extension to August, 1916.

On account of Admiralty work in this port, we are unable to obtain a Dry Dock for this steamer, and I shall, therefore, be obliged if you will grant us a further 3 months certificate for this ship, so that the ship and machinery may be surveyed at the same time.

Yours truly,
