31st March, 1916.

Dear Sir,

With reference to the Classification in the Society's Register Book of your S.S. "RIEVAULX ABBEY", I beg to acquaint you that the Committee have had before them a report on the vessel received from the Society's Surveyors at Hull, from which it appears that the steamer is stated to have struck wreckage whilst on a voyage from Hull to Rotterdam.

The vessel has been examined afloat, but it is recommended that she should be inspected in dry dock by the Society's Surveyors at the first opportunity convenient to your goodselfes.

I am, Dear Sir,

Yours faithfully,

Secretary.

J.H.N. Ringrose, Esq.,
