

Lloyd's Register of British & Foreign Shipping.

53, Waring Street,

Belfast, 8 March 1902

The Secretary  
Sir

REC'D 10 MAR 1902  
ANS'D 10

With reference to your letter of 5<sup>th</sup> inst. respecting the wire saws proposed to be supplied to the SS Niwara (Mess<sup>rs</sup> Workman Clark & Co 183)

I beg to forward herewith a letter received from that firm, from which it will be seen that the saws in question are those placed on board the S.S. Oswestry Grange, not those to be supplied to the SS Niwara as stated in my letter of the 4<sup>th</sup> inst.

As the "Oswestry Grange" is a duplicate of the "Graxton Grange" Tel. report no 5352. I beg to point out that similar saws were approved for the latter vessel.

I am, Sir,  
Your obedient servant  
J. Hutton

Referred to the Chief Ship Surveyor.

10 MAR 1902.

S. Oswestry Grange, (Workman Clark & Co. No. 182)

It is submitted the Surveyor  
should be again requested to ascertain and  
report why these steel wire hawsers are not  
made of the strength required by Table 22.
