I am in receipt of your letter of the 8th March enclosing a copy of report received from the Society's Surveyors at Nantes, and with regard thereto would say that I have taken this matter up with the United States Shipping Board, and also the Brooks Steamship Corporation, who were handling the vessel, and I am now advised that she stranded at Casa Blanca on March 8th and notice of total loss has been served on the Underwriters.

I am, Dear Sir,

Yours faithfully,
