Attention Mr. Nicholas.

Gentlemen,

SS. "NATENNA"

We enclose copies of two telegrams received in connection with the ss. "Natenna" on which vessel we understand you made an inspection while in Brest. We regret exceedingly to have to report that owing to severe weather after arrival in Casablanca, the vessel lost her rudder, and was afterwards driven on to the rocks and is reported to be a total loss.

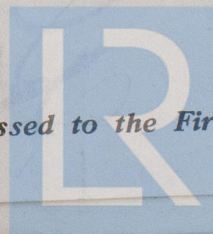

Yours truly,

BROOKS STEAMSHIP CORPORATION
