Gentlemen,

SS. "NATENNA".

As you know, this vessel, after temporary repairs at Brest, France, has been given by your representative a certificate of seaworthiness and permitted to proceed to Hampton Roads for thorough repairs. We shall be pleased to have you give us a copy of this certificate, which is necessary for use by the charterers of the vessel. If there is any expense connected with supplying the desired copy, we shall be glad to pay it.

Very truly yours,

BROOKS STEAMSHIP CORPORATION,

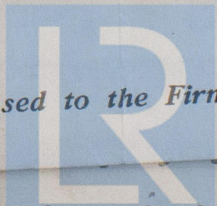

W. Scott
Director.
