ATTENTION MR. MAYNE.

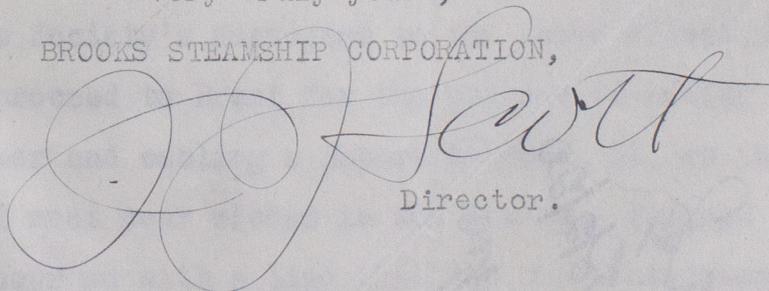

Gentlemen,

SS. "NATENNA".

We have your letter of February 9th. As stated over the telephone, the wooden steamer "Natenna" was purchased from the United States Shipping Board by the Nacirema Steamship Corporation, 25, Broad Street, New York, and is being operated by the Brooks Steamship Corporation, as agents. So far as the vessel being unloaded or not being unloaded is concerned, we cannot of course express any authoritative opinion or make any request. This matter will depend entirely upon the condition of the vessel as determined by Lloyd's surveyors.

Very truly yours,

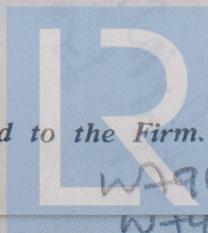

BROOKS STEAMSHIP CORPORATION,

Director.
