Sir, ANSD

We beg to inform you that it is arranged with the owners of the ship "STELLA" that a part of the 2nd S.S.No.1 shall be held during the vessel's stay at Amsterdam now, and the owners request to have the completion of the survey postponed until the expiration of year of grace.

We shall be glad to know if the owners' proposal will be agreed to.

The Amsterdam Surveyors have been informed accordingly.

I am, Sir

Yours faithfully

THE SECRETARY
