NEW YORK March 14, 1919.

Dear Mr. Scott:

S. S. "VERDUN"

With reference to your letter of the 12th ultimo and to Savannah report No.39, I enclose herewith a letter dated the 9th instant received from Jacksonville Surveyor from which it will be seen that the fuel oil tanks were placed on drip pans made of wood and lined with metal. This vessel should have a record of "salted and specially treated".

Yours faithfully,

A. P. Hutchinson
