21st June 1906.

Dear Mr. Lithgow,

In reply to your letter of yesterday regarding the equipment for your steamer No. 569, I have placed this matter before the General Committee at their meeting to-day, and I have had very much pleasure in wiring you this afternoon, as follows, viz-

"Steamer 569 equipment approved as  
"supplied official letter follows to-day".

The sketches shewing proposed attachment of side frames to frame brackets at tank sides also proposed arrangement of hatches in Nos. 570, 571 & 578 are under consideration, and will be dealt with as promptly as possible.

Yours faithfully,
