

This vessel was built in 1918 and classed 100A1.
The class was withdrawn at the Owners' request
in 1921.

S.S. No. 3 was held at Baltimore in January last, and notations
of 100A1 (Reclassification contemplated) and 'Examined 1.41'
have been assigned by the American Committee.

It is understood the vessel has since been sunk.

The fee for the Reclassification Survey
on the hull, in accordance with the revised practice as approved
for these Ministry of Shipping cases, is £110. A proportionate
fee for the work done at Baltimore, on the Surveyors' estimate
as per Report, is \$300 or £75, and it is submitted this amount
