Enclosure.

17th September, 1929.

Dear Sirs,

M. I am in receipt of Mr. Brown's letter of the 16th instant, respecting the repairs and alterations to be carried out by Messrs. Palmers Shipbuilding & Iron Co. Ltd., to the Oil Tanker "CADILLAC", which was built by them in 1917, and in reply to his enquiry may say that detail plans and specifications have been handed in at this Office by the Owners.

These plans, etc. have been fully discussed with their Representative, and have been returned to the Owners with the request that they will send the plans to this Office after noting, in order that they may be sent to you. This will be done as soon as the plans are returned, and in the meantime I enclose a copy of a letter which <sup>was</sup> yesterday addressed to the Owners in regard to the case.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.
