16th May 1913.

Dear Sirs,

I have to inform you that a first entry report has been received from the Society's Surveyors at Amsterdam on the new steamer "OTIS TETRAX", from which it appears that this vessel is proceeding to your port where the machinery is to be fitted, and that in order to complete the survey for classification the equipment requires to be supplied in accordance with Table 31, letter "m" and examined; the tunnel top plating to be riveted up, and the hand pumps and steam steering gear and electric lighting to be tried.

I shall be glad if you will give the case the necessary attention and on completion of the work forward a report on Form 8 for the information of the Committee with a view to the classification of the vessel.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,

ROTTERDAM.

Secretary.
