2nd July, 1909.

Gentlemen,

I am in receipt of Mr. Beveridge's letter of yesterday's date respecting the S.S. "OTRANTO" and note his remarks with regard to the safety valves and the completion of the test of the refrigerating machinery installation and I have to say that these matters will receive attention on the vessel's arrival in London.

I am, Gentlemen,

Your obedient servant,

Secretary

The Surveyors,

BELFAST.
